SENTINEL FORGE

CAPABILITY STATEMENT

October 2026 · sentinelforge.group

Mission-ready supply, *every* contract.

Sentinel Forge is a service-disabled veteran-owned government contractor in Atlanta, Georgia. We source medical, dental and hospital supplies and other commercial products from established manufacturers and distributors, drop-ship them to VA and DoD facilities, and deliver facility support through vetted veteran-owned partners, managing every order from quote to delivery.
